## **JULY 8-13**

Before you make any summer plans, please put this in your calendar! We will be “beefing up” the program this year to include more robust content for Morning Prayer and end of day processing. We will also have MP run the entire week, with Friday being a Fun Day of Community Building at Group Dynamix (instead of the Hawaiian Falls trip that was done in the past). Registration will open in March.

We will also need MANY Adult volunteers, so please consider being a part of this amazing experience as you plan your summer 2018 time off/vacation.
