

As a Christian we are to assist with the needs of the Church. Christian stewardship understands this in terms of personal time, talent and of course financial support. One form of personal time is sharing your faith with those around you. This sharing will grow a lifetime of rewards. If you have time for a weekly commitment, monthly, or a full year (26 weeks) of dedication, the Office of Faith Formation at St. Patrick would like to make you a part of its Volunteer Team. Listed below are just some of the areas where you can make a difference; together we can make a difference in the life of our parish!  
(You must be cleared through our safe environment program.)
